

WOIS CAREER EXPLORER

What People Say...

WOIS is a model in customer responsiveness."
—community college counselor

"Overall, I found the program very helpful and easy to use. It has helped me to realize what I want to study, what college I would like to attend and what to expect when I start my career. I am happy to have found the job of my dreams and to have the resources of WOIS at my fingertips."
—student

Although we have access to other programs, WOIS remains the most widely used at our facility. It simply contains too much valuable information to use any other."
—career center specialist.
